Subject: Authorization for Partial Release of Reclamation Surety, Letter of Credit, Quality Building Stone Weston #1, S/007/0039, Carbon County, Utah

Dear Sir or Madame:

Central Bank is presently holding letter of credit [redacted] for the benefit of the State of Utah, Division of Oil, Gas and Mining, as a form of reclamation surety for the Weston #1 operated by Quality Building Stone, Inc. This letter authorizes reduction in the value of the letter of credit from \$13,300.00 to \$7700.00. At the company's request and after site inspections to verify that reclamation work has been satisfactorily completed, this letter will authorize reduction of the face value of the letter of credit to no less than \$7,700.00 dollars. The operator has reclaimed a portion of the mine site which justifies the reduction.

When this transaction has been completed, please provide the Division with an amended letter of credit showing the new amount.

If you have any questions or concerns, please contact Paul Baker at 801-538-5261 or Penny Berry at 801-538-5291. Thank you for your help in this matter.

Sincerely,

John R. Baza
Director
